120 6x45 hi res jpeg/bitmap - 2419 x 3000/7.3mp, 20.8mb

Standard film handling and scan delivery:

Films are sleeved in 6- strip archival acetate sheets with ring binder holes at the sides. If you would like something different for example uncut or cut into 4 or 2 strips please let us know using the special instruction box.

Scans are delivered to you by We Transfer Upload (you will receive an email with a download link)
If you would prefer a CD/DVD with contact sheet please tick the box below (there is an additional charge for this service).

We keep your originals in the lab for up to 6 months unless you have requested prints in which case we will send them back with your prints. If you would like your scanned negs sent back immediately please tick one of the options below (there is an additional charge for this service).
