

## Privacy Policy Statement for DiPixns.com

*Effective January 1, 2020*

**TERMS:** In this document, the terms “Our Company,” “Company,” “Our Website,” and “Our Site” reference “DiPixns,” “ DiPixns.com” and “PhotoArtbyTedLyman.DiPixns.com.” The term “Statement” may be applied interchangeably with “Policy Statement” and “Private Policy Statement.”

**ETHICS:** Your privacy is important to us. It is the policy of our Company to respect your privacy regarding any information we may collect from you across our website

<https://www.dipixns.com>, or <https://PhptoArtbyTedLyman.DiPixns.com>,

and other sites we own and operate. This Privacy Policy Statement describes the ways in which we collect information from you and about you, and what we do with the information, so that you may decide whether or not to provide information to us.

We only ask for personal information when it is essential to providing a service to you. We collect it by fair and lawful means, with your knowledge and consent. We also let you know why we’re collecting it and how it will be used. You are free to refuse our request for your personal information, with the understanding that we may be unable to provide you with some of your desired services. Your access to and continued use of our website, or the purchase of our products or services, demonstrates your agreement to this Privacy Statement and will be regarded as acceptance of our practices around privacy and personal information.

Our website may link to external sites that are not operated by us. Please be aware that we have no control over the content and practices of these sites and cannot accept responsibility or liability for their respective privacy policies. If you have any questions about how we handle user data and personal information, feel free to contact us.

### **Standards and Principles we apply when Collecting Personal Information**

We provide reason and purpose for which we collect and use Personal Data and the types of third parties to which our Company discloses or may disclose that Personal Data. Our Company shall provide the individual with the choice and means for limiting the use and disclosure of Personal Data. Notice will be provided in clear and conspicuous language when individuals are first asked to provide Personal Data to our Company, or as soon as practicable thereafter, and in any event before our Company uses or discloses the Personal Data for a purpose other than for which it was originally collected. Our Company may be required to disclose Personal Data in response to lawful request by public authorities, including meeting of national security or law enforcement requirements.

Individuals may choose to opt out – via email at [privacy@dipixns.com](mailto:privacy@dipixns.com) – of having their Personal Data either:

- disclosed to a non-Agent third party or
- used for a purpose other than that for which it was originally collected or subsequently authorized by the individual.

**THIRD-PARTY ACCESS and DISCLOSURE of DATA:** Our Company and/or those suppliers of our products and services may have access to an individual's Personal Data on a need-to-know basis in order to perform services on our behalf, or provide or enable elements of the services. All such agents, technology vendors and contractors who have access to such information are contractually required to keep the information confidential and not use it for any other purpose than to carry out the services they are performing or as otherwise required by law.

Prior to disclosing Personal Data to a third party, we shall notify the individual of such disclosure and allow the individual the choice to opt out of such disclosure. We will:

- limit the data we share with our partners and vendors to only those data we have permission to share.
- proactively confirm that our partners and vendors understand purpose limitations.
- ensure that partners and vendors will make at least the same level of privacy protection as required by the Privacy Shield principles to comply with the purpose limitation and appropriate protection of that data. To learn more about the Privacy Shield program please visit <https://www.privacyshield.gov/>.
- transfer such data only for limited and specified purposes as detailed in the privacy policy.
- ascertain that the agent is obligated to provide at least the same level of privacy protection as is required by the Privacy Shield principals.
- take reasonable and appropriate steps to ensure that the agent effectively processes the personal information transferred in a manner consistent with our organization's obligations under the Principles.
- upon notice, take reasonable and appropriate steps to stop and remediate unauthorized processing.
- require any third party agent to notify us in the event that it makes a determination that it can no longer meet its obligation to provide the same level of protection as is required by the Privacy Shield principals.

Our Company has put in place appropriate physical, electronic and managerial procedures to protect our Personal Data files from loss, misuse and unauthorized access, disclosure, alteration and destruction. However, we cannot guarantee the security of Personal Data on or transmitted via the Internet.

### **Information we collect**

We may collect your personal information – name, contact information, IP addresses, product and service selections and other things that identify you. We collect personal information from you at certain points, including but not limited to the following:

- when we correspond with you as a customer or prospective customer;
- when you visit our website and complete our contact information;
- when you register as a user of our services by completing a transaction, at which point an account is created for you;

- and when you contact us for help or information.

We retain your information for as long as necessary to support you with your requested service. The data we store are protected within commercially acceptable means to prevent loss and theft, unauthorized access, disclosure, copying, reuse or modification.

Except when required to by law, we don't share any personally identifying information publicly.

### **How we use the information we collect**

Dipixns.com may use any information that we collect about you to:

- deliver the products and services that you request;
- provide you with customer support;
- perform research and analysis about your use of -- or interest in -- our products, services, or content, or any products, services or content offered by others;
- communicate with you by e-mail, postal mail, telephone and/or mobile devices about products or services that may be of interest to you either from us or from third parties;
- enforce our terms and conditions;
- manage our business;
- transfer personal information to third parties for any legally permissible purpose in our sole discretion.

### **Disclosure of the information we collect**

Dipixns.com may share your information with third parties in the following ways:

- providing your information to our agents, vendors or service providers who perform functions on our behalf or who help us provide and support our services. Third-party contractors may have access to our databases. Normally these contractors sign a standard confidentiality agreement;
- allowing a potential acquirer or merger partner to review our databases, although we would restrict their use and disclosure of these data during the diligence phase;
- as required by law enforcement, government officials, or other third parties pursuant to a subpoena, court order, or other legal process or requirement applicable to our Company; or when we believe, in our sole discretion, that the disclosure of personal information is necessary to prevent physical harm or financial loss, to report suspected illegal activity or to investigate violations of our agreements or Company policies;
- sharing your data with any parent company, subsidiaries, joint ventures, and other entities under a common control or third-party acquirers. We hold these other entities to the terms of this Privacy Statement;
- offering promotions on our Websites or through social media (collectively "Our Promotions"). Participation in our Promotions is completely voluntary. Information requested for entry may include personal contact information such as your name, physical address, date of birth, phone number, email address, username, and similar details. We use the information you provide to administer Our Promotions. We may

also, unless prohibited by the Promotion's rules or law, use the information provided to communicate with you, or other people you select, about our Services. We may share this information with our affiliates and other organizations or service providers in line with this policy and the rules posted for the Promotion.

- Please note that third parties may be in other countries where the laws on processing personal information may be less stringent than in your country.

### **Social Media and other Public Sites**

Our Site features links to a public blog and social media platforms. Information you include in a comment on our blog may be read, collected, and used by anyone. If your Personal Information appears on our blogs and you want it removed, contact us at [privacy@dipixns.com](mailto:privacy@dipixns.com) or click the "unsubscribe" link found at the bottom of every email.

**COOKIES:** Although most browsers allow you to block or delete cookies from your system, cookies are set to assure the smooth function of your sites. They are stored on your browser to retain your preferences, allowing you short cuts to login and providing usage information. This helps to improve site management. Learn more about your ability to manage cookies in the privacy features in your browser.

**SOCIAL MEDIA:** These platforms collect information about your IP address and the pages you visit. We may host media links and widgets directly on our Website. Our Company also maintains presences on social media platforms including Facebook, Twitter, Instagram, and LinkedIn. Any information, communications, or materials you submit to us via a social media platform is done at your own risk without any expectation of privacy. We cannot control the actions of other users of these platforms or the actions of the platforms themselves.

### **Changes to our Privacy Statement**

From time to time Our Company may amend this Privacy Statement by posting a new version. It is your responsibility to review this Statement periodically as your continued use of this website represents your agreement and compliance with the then-current Privacy Statement.
