

Pet Portrait Info Sheet

Sizes and Pricing

- 11 x 14 = \$200
- 16 x 20 = \$300 (most popular size)
- 18 x 24 = \$400
- 24 x 30 = \$500

If you would like 2 pets on one canvas I start at the 18 x 24 size and go up from there. I cannot get 2 on a smaller canvas. There will also be an additional \$100 charge for the second animal.

All paintings are done with professional level acrylic paint on a gallery wrapped canvas.

So how does this work?

1. It begins with you calling or texting me at 417-459-9959 to let me know you'd like a portrait!
2. Next, you'll text or email me photos of your pet. THE BETTER THE PHOTO, THE BETTER THE PAINTING! Dark, distant, shadowy pictures are challenging and will not result in the most accurate, life-like painting. Bright, well-lit pictures that show your pets FACE well are ideal.
3. You'll need to decide what size canvas you'd like and the background color. I'm happy to work with you on the color choice!
4. At this point I would ask for a %50 deposit on the painting. I accept PayPal and Venmo payments. You can use my phone number as my ID, 417-459-9959. The balance will be due upon delivery.
5. Once I receive your photos I'll sketch out your painting. At that point I'll text you a picture to see if you're happy with the size and layout. If you approve, I'll start painting! I'll contact you when it's finished.
