

Keep yourself and your customers safe with our cashier shields, a portable and adjustable protection guard. The clear Acrylic or Super Clear vinyl screen prevents the spread of disease, while maintaining customer experience. Ideal for cashier, front desk, office, restaurant and hospitality employee protection. This scratch resistant material is a lightweight, shatter-resistant alternative to glass.

Deluxe Countertop Shield

Stable – Portable – Adjustable

Pass-through is easily adjusted by loosening two knobs.

- Acrylic provides great transparency, is lightweight & shatter-resistant
- Sturdy anodized aluminum frame has 15" feet that can be clamped to the countertop for added stability
- The pass-through is adjustable from 1 3/4" to 12" high
- Optional desk or counter clamps
- Acrylic has polished edges
- Permanent & easy to install
- Custom sizes available
