NEED A LITTLE PRIVATE TIME WITH A PROFESSIONAL ARTIST?

Private Guidance is available!

Sign up for private sessions hosted online or in person. You will receive an hour and a half of one-on-one guidance, as we walk through the basic steps for creating a strong painting. You can sign up for three sessions, and in between, you can work on your painting. Or, if you just need a little help or want to improve on an existing painting you've done on your own or in one of my classes.
