

I shed my skin.

Where did I come from?

Wet land, dry land.

Garden, open field.

Underground.

Up in the tree.

Under the ocean.

How did I arrive here?

Swimming against wind.

Fallen from somewhere.

Moved by someone.

Swept by tides.

Flying away.

Where am I?

Am I home?

Can you find me?

Will you send me a letter?

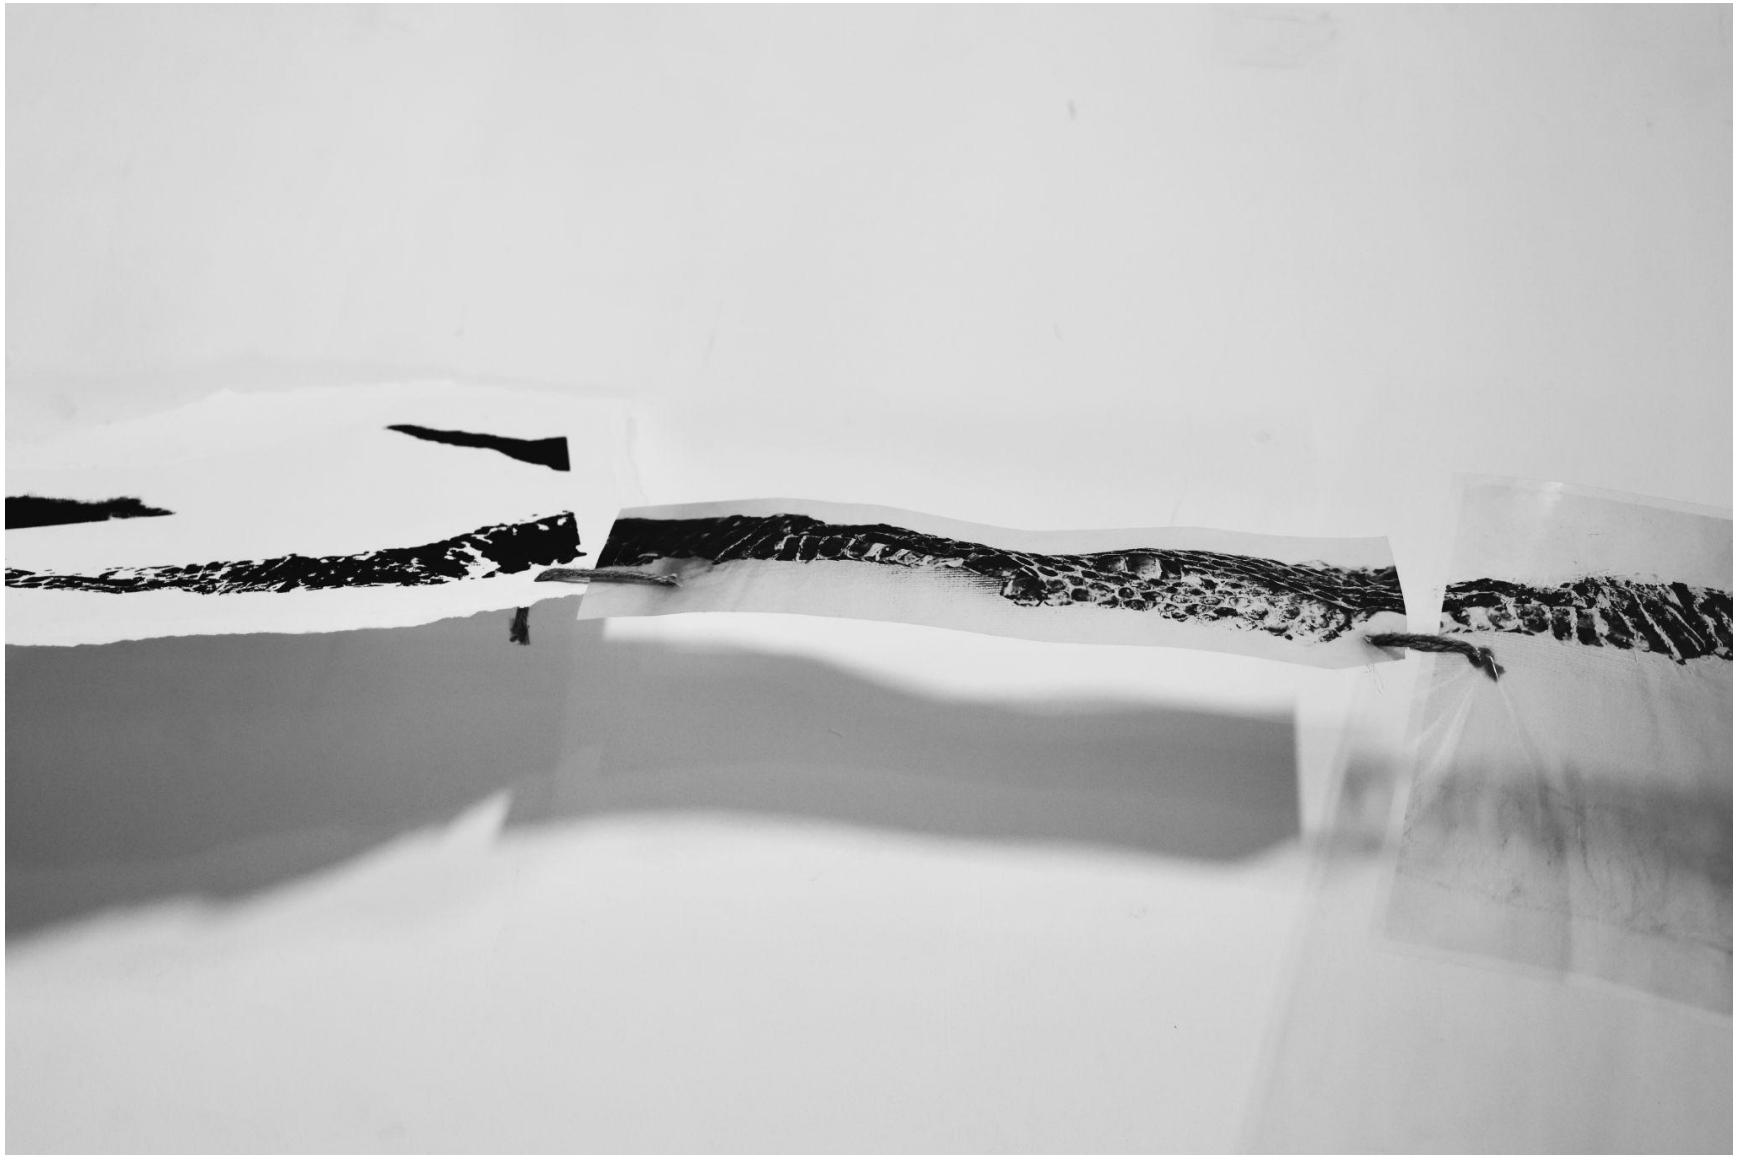

Who am I?

What am I becoming?

empty shells, seaweed, bind weed, honesty plant, broad beans,
and their shelter homes.
