Dymaxion Globe Assembly Directions

- 1) Color land and sea. Leave numbered triangles blank.
- 2) Cut along all exterior dotted lines.
- 3) Fold along all solid lines.
- 4) Cut along all the interior dotted lines. There are six.
- 5) Glue behind Canada the flap that says, "Glue Behind Canada".
- 6) Begin gluing the flaps into place following the recommended order below.
- 7) Glue 7 behind the Pacific Ocean.
- 8) Glue 9 behind the South Pacific.
- 9) Glue 4 behind the South Atlantic.
- 10) Glue 10 behind the South Pacific.
- 11) Glue 8 behind the Pacific.
- 12) Glue 11 behind Australia.
- 13) If you wish to hang the globe from a string, now is a good time to attach one through the cross hairs marked in the Arctic Ocean.
- 14) Glue 6 behind Antarctica.
- 15) Glue 1 behind 5.
- 16) Glue 2 behind 3.
- 17) Glue Africa over 5.
- 18) Glue the North Atlantic over 3.
