X Need not color

Directions

- 1) Download and print the San Damiano activity page.
- 2) Color the crucifix and borders.
 - - - Leave the areas with an X uncolored because these areas will not be visible after assembly and wax from crayons might resist glue.
- 3) Cut on all the dotted lines.
 - - - Adults should very carefully cut out the pattern.
- 4) Fold on the solid lines.
- 5) Glue the X marked tabs to the backside of the colored borders.
- 6) Hang on a wall using the built-in hanging strip.
 - - - Tape is great, but a standard thumb tack will work too.
 - - - If you are putting up the cross with a child, consider using the prayer below.

Prayer for a Child Installing a Crucifix

Dear Jesus,
I place this image of you and your cross
here in my room
as a sign of my love for you
and as a reminder of your love for me.
Help me to follow your example,
and to stay always by your side.
Amen.
