NEIL KERMAN, A MASTER OF ABSTRACT EXPRESSIONISM

Artist Neil Kerman "A Master of Abstract Expressionism" lives and creates his compelling art in Brooklyn, New York. Through strong vibrant brush strokes and an intense colour palette, Kerman's art demonstrates an elegant and contemporary abstract design that is both lustrous and radiant which entices the viewer to experience the great joy, passion and energy that is found in his works.

Kerman is an artist with a unique special flair for creating "Art for Your Space". Interior designers and decorators use Kerman's work to curate and hang his pictures in residential homes, commercial buildings, as well as hotels, health care facilities and luxury yachts to create a mood, ambiance and environment that all can enjoy.

Kerman also applies his creative art as a therapeutic modality for those with disabilities and illnesses, while enhancing health and wellness. Neil Kerman is represented by Saphira & Ventura Gallery which has permanent galleries in New York, Singapore, São Paulo and associated galleries in major cities around the world.

The gallery was founded by Louis Ventura and Alcinda Saphira under the umbrella of The International Contemporary Art Society (ICAS).

Its art collection include works by Keith Haring, Frida Kahlo and represent artists such as Lawrence Armstrong, Estuardo Maldonado, Sankhya Jejuri, Sam Dobrow, Antonio Spinosa and Jackson Carvalho.

The artists are promoted by an online network of art entrepreneurs from all over the world by its digital platform artentrepreneurs.com that offers global e-commerce, virtual art gallery, artist's career management services and art business development for art entrepreneurs.
