Limit of Liability on Customer Provided Materials

Robin Imaging Services makes every effort to safeguard customer property, but some processes by their very nature have a risk of damage associated with them that can result in damage to customer property. Robin Imaging does not accept any responsibility for damage to originals when printing on, or the finishing of, customer supplied materials. Mounting and laminating are irreversible processes. We do not recommend mounting or laminating irreplaceable originals of any kind due to this risk.

Limit of Liability

Robin Imaging has been handling all types of artwork for over twenty-five years. We understand that your artwork is very special and expensive. We take every precaution to make sure it travels through the lab carefully, without damage. To prevent damage, originals must be protected with appropriate packaging when they are turned over to us. If not properly packaged, we will package them appropriately and add the cost to the job.

Even with the best of care sometimes accidents happen. If damage should occur, our limit of liability is \$100 per piece, up to a maximum of \$500 per order. You have the option of purchasing additional insurance at \$0.25 per \$100 of coverage, up to \$1,500 per piece. This must be done at the time you place your order.

All digital data entrusted to Robin Imaging should be backed up prior to submitting it to us. We assume no liability for lost or damaged digital data beyond the value of the media that it is stored on.
