

Repositionable Art Tiles

Technical Data Sheet

Description

Repositionable Art Tiles allow you to easily create a wall collage of your favorite pictures. It is easy to change out photos or add new ones to your collection.

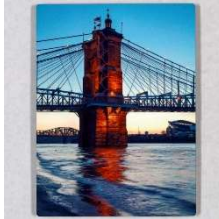

The wooden tiles are 1/4" thick with a gloss surface and black sides. Each panel comes with a 2"x2" repositionable adhesive pad that allows you to stick it to the wall, remove it, and remount it elsewhere.
