ARTIST CLOSEUP

CONTEMPORARY ART MAGAZINE

In the 60s... Now in Their 70s (detail)
by Janelle White

Nicholas Pelekis

Nicholas Pelekis is an abstract expressionist painter based in Melbourne, Australia. Working in acrylic on canvas, he explores memory through colour, gesture, and texture, distilling fragments of the past into layered abstractions that blur the real and imagined.

L A D

L A D is a curated world where private objects become vessels for memory, love, and lived experience. Each piece is chosen not for trend, but for resonance – representing a person, a place, or a fleeting moment in time. Here, objects are not decorative; they are storytellers.
